

TRAVEL CHECKLIST

Important Documents

- Passport (always check for validity length)
- Tourist Visa (how long are you staying and is a visa required? Good source: travel.state.gov)
- Check for travel warnings
- Copy of Passport (to carry with you)

Electronics/Apps

- Will you need an adapter for cellphone/camera/laptop chargers? For Europe and the UK, for example, adapters are required
- Will you need a converter? If the country you are heading to requires an adapter then you will need a converter for larger appliances such as blow dryers and straighteners that don't have the dual voltage option (check the box/cable of the appliance).

Weather

- Always check the weather averages for the destination and time of year you are visiting

What Cities/Towns Do you Plan to Visit?

Tip: focus on quality vs quantity. Get a real feel for a place before heading to the next one.

Languages Spoken:

- Always check for the main language spoken. If it is something other than the language(s) you speak have a translation app on your phone just in case. Suggested: Google Translate

Medical

- Have Your Insurance information written down in case you need it

Currency

- What currency will you need? Always check if the country you are heading to takes USD if it doesn't: you can exchange most currency through Bank of America or Chase ahead of time if you are a customer. If not, exchange your money at an exchange house once you land (avoid the airports).
- Download XE currency on your phone to stay up to date with local currency rates.

Lodging

- Home Rental or Hotel?
- How far are the sights you want to see from your accommodations?

What Transportation Options are available?

- Uber
- Train system
- Bus
- Taxis
- Ferries
- Checkout transportation options via 3rd party sites such as Expedia or Viator.
